

JMS HOMEWORK CLUB

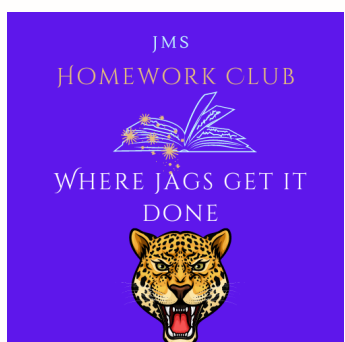

Mon., Tue., and Thu. 3:50-5:15

Room 28

What is Homework Club?

Homework Club is just what it sounds like, a quiet place for your student to come and get additional assistance in completing their homework. Students will be arranged by subject matter so that students can productively assist one another with teacher guidance.

All of the regular JMS rules apply: no food, no drinks (except water with a closeable lid), no phones, no games.

For Parents:

Please make sure that your student is picked up by 5:15 from Homework Club every time. If your student can walk home, make sure that is noted on your Contract. Your student needs to have a signed contract file to join Homework Club.

For Students:

Come prepared with work to do when you show up for Homework Club.

Remember: You go to Homework Club to work and not to socialize.

What Homework Club is not.

- This time is not meant for social time.
 - Any students who are disruptive or are not doing work will be asked to leave. If this occurs more than twice, the student will not be permitted to return for the quarter.
- Homework Club is not a punishment.
 - This is an opportunity for your student to have a focused space to work on assignments that they have questions about, did not complete, or need to make up.

Important Dates

- **10/31:** First day of Homework Club
 - Students must have submitted their signed Contracts to the office by this date to begin on this day.
- **11/10:** End of Quarter 1
- **11/11:** Veteran's Day - No School
- **11/23 - 11/27:** Thanksgiving Break (No Club)

JMS HOMEWORK CLUB

CONTRACT

The following are in addition to, or an emphasis on, existing rules in the JMS Student Handbook.

- Students are expected to come to Homework Club with a focus on completing their work.
- If a student finishes their work prior to 5:15, they will go home or call home to be picked up.
- There will be no food, no drinks (except water with a closeable lid), no phones, no earbuds, and no games allowed during club time.
- Disrespect towards staff members helping with homework will not be tolerated.
- Although we provide students with the opportunity and space to work on their homework, Homework Club is not a tutoring service and is not responsible for a student's assignment not being completed.
- Students must be in Homework Club no later than 3:50.
- Once a student has signed out to go home, they are not allowed to sign back in for the day.
- Parents should pick up their students in the back parking lot between the cafeteria and the track no later than 5:15 pm.
- It is still the student's responsibility to come prepared with paper, pen, Chromebook, and a writing utensil in order to DO their homework.

By signing below, my student and I agree to comply with the guidelines and information as listed above in this Homework Club contract.

I _____ wish to enroll my child/ren _____
in Homework Club.
